Community Art Workers,

Dear Friends,

A programme for the inner city unemployed youth has been organised by the Mayor of Fitzroy on behalf of the North Central Youth Committee and asks C.A.W. for its participation.

The Community Youth support Scheme as it is called, is funded by the Federal Government and is on a six month trial period to begin shortly.

It is not seen as a continuation of academic schooling but that of encouraging the youths of learning about how society works and develop skills which could lead to employment, but not necessarily equipment and material costs will be provided by the groups Thereas of work that C.A.W. can participate is vastPhotography Story Reading.... Silk Screen Printing Basic Journalism ... Mural or easel Painting ... Leatherwork ... Cooking ... Toys Macrame Carpentry Etc. And all the Active Sports.

A major aim is the development of a newsletter which will serve the specific aims of the group and develop community ideas.

Interested members and friends, a meeting will be held at 327 Nicholson St., North Carlton 2.30 p.m. Wed. 22nd June with the organiser to develop the programme for further information contact Magnus Beugelaar 75 Lee Street, North Carlton.
